

WINTER WEATHER PROCEDURE

[Updated 02/25/2019](#)

- (1) Grant School District 3 Transportation Department will monitor road conditions in coordination with the district superintendent and administrators. KJDY will be notified if buses will be late or running the "**Snow Route**" schedule. The "Snow Route" schedule will be available on the district website.
- (2) Bus drivers will notify dispatcher if bad roads are causing them to run late or if they require additional help in order for them to be able to complete their route.
- (3) The Transportation Department will notify KJDY, each school, and the District Office if student pickup or delivery is delayed. Notification includes the approximate length of the delay.
- (4) The Transportation Department will maintain communication with the County Road Department, State Highway Department and John Day and Canyon City Road Departments to monitor road conditions.
- (5) Grant School District 3 Transportation Department will monitor the radio and telephone until all students are delivered home and the drivers are back to the bus shop. Parents may call the Transportation Office at 575-1280 ext 29 to get information about bus or student delays.
