# STEWART SCHOLARSHIP

## APPLICATION INSTRUCTIONS – New Applicant/Not a Previous Recipient

This scholarship is for worthy young persons who are U.S. citizens and residents of Grant County, Oregon. The scholarship is awarded for undergraduate, trade or graduate school educational expenses. The Stewart Scholarship is awarded annually, up to a maximum of **five** years. You must reapply each year. ***Your Scholarship award years do not have to run consecutively. However, you must prove Grant County residency each year.*** If you are receiving adequate financial aid to cover your expenses, you may consider postponing and applying for the Scholarship in a year where additional funding would be beneficial. (An example would be waiting to use the Scholarship when in a bachelor's program as opposed to applying the award to community college classes where your financial needs may have already been met).

Recipients must:

- Complete a minimum of 12 credit hours per term/semester (full-time) or at least half-time status for part-time students.
- Achieve a 2.0 or better cumulative GPA in high school and the first year of post high school study.
