

This message is from Superintendent Bret Uptmor,

Grant School District is in the process of planning for the reopening of school on August 31. Grant School District's primary goal is to return to school in a manner that is consistent with guidelines set forth by the Oregon Department of Education and Oregon Health Authority. We are committing resources, energy and effort to keep students, staff and our community safe while providing a quality school experience. While reopening for on-site learning, Grant School District is also offering an alternative online curriculum virtually for students unable to return in person. We appreciate the input received from the parent and student survey which guided the development of our blueprint. The full Reentry Operational Blueprint can be viewed on our website <https://www.grantesd.k12.or.us/District-3/> after approved by the health department. We will inform everyone concerning activities and sports as guidance becomes available from the state and adjustments may be made to our plans as any other new guidance is released.

Please remain patient but feel free to reach out to me at uptmorb@grantesd.k12.or.us or Mr. Gerry at Grant Union gerryr@grantesd.k12.or.us, Ms. Dennison at Humbolt dennisond@grantesd.k12.or.us, Ms. McLean at Seneca mslean@grantesd.k12.or.us with any questions, concerns or suggestions.

Bret Uptmor, Superintendent
Grant School District #3
